Effect of Birth Number and Ruling Planet

There are only 9 important planets in our solar system. Similarly, there are only nine numbers by which all our calculations are made. All the other numbers are mere repetitions only. Each number is assigned to a planet, by experts in Occultism, Chaldean, Hindu, Egyptian and Hebrew.

The secret of Numerology is the mysterious law of vibrations. Your birth date can be reduced to a single digit key number. This number represents a planet. You and the planet attached to your number, will have the same vibrations, which lasts all through your life.

Your Birth Number is 8.

The number 8 symbolizes the planet Saturn. Being a number 8 person, you are invariably misunderstood. Your first tendency is to withdraw under such situations. This makes you lonely at heart.

You have deep and intense personality characteristics, with strong individuality. You will have occasions to play an important role in life, early or later. You will occupy a position, instrumental for the fate of others.

If you do not develop a broad outlook on religion, you may become fanatic. Once you get involved in something,

you become fully serious. You do not care for opposition of any kind. In the process, you may make bitter and relentless enemies.

You may appear unemotional, cold and undemonstrative of your inner feelings. But, in fact you are deeply committed to those who suffer. However, you may not reveal this and so you let the others think what they want.

The interesting fact about your life and career is that either you can be a great success or a failure. There appears to be no medium level of achievement for you. If employed in the government, you may assume great responsibilities which involving a great deal of sacrifices on the personal front. You may have to face great sorrows, losses or even humiliations, at times, if you are not sufficiently watchful.

The number 8 is a difficult number to explain and understand. It represents both material and spiritual aspects. It should be assumed that this number is composed of two equal numbers : 4 and 4. Similarly when in print it would give the impression of two small circles, just touching each other. The peculiarities of this number can be upheaval, revolution, anarchy, waywardness, and eccentricities of all kinds.

The other side of this number and consequently your personality can be philosophic thought and a strong leaning towards occult studies, religious devotion and concentration of purpose. You will demonstrate zeal in whatever cause, you take up. All your actions may have a fatalistic colour.

You tend to develop a feeling that you are different from others. Therefore, you may not reap the rewards you deserve during your lifetime. Better appreciation and honour comes, mostly after your time. It is also possible that you oppose the injustice around you. You earn the displeasure of those who do not understand you and your good intentions.

Effect of Birth Number and Name Number

Let us now look at the effect of the 'Birth Number' and 'Name Number' on your character and life.

To achieve the best possible results, these two numbers should ideally be compatible. The general rule is that all the numbers affecting your life should be in mutual agreement with one another.

In your case, both these numbers are compatible. Hence, you can feel happy and confident.

Since your name starts with the letter S, it has special significance for you .

You have the unusual ability to make firm friendship. Therefore, you are able to enter into the life of those whom you love. You may not only love but worship certain groups of people. Any disloyalty may upset you deeply. You are ever in search of a balanced life.

Your 'Birth Number' is 8. You maintain a well developed personality. You do not get disturbed under normal circumstances. If you get interested in religious affairs, you will bubble over with enthusiasm. You can effectively refute and disprove the ideas presented by others, in order to establish your own. In the long run, this will create enemies. In your life, at times, misfortune comes in waves. Sometimes, every effort ends in good success. You are interested in getting at the essence of Vedanta, as you are philosophical. Generally you enjoy solitude. Often people will find it hard to understand you, unless they move very closely with you.

Once you set your heart on something, you act restless, until you achieve it. You have a rough exterior, but a very good warm personality. This will be understood by those who come near to you. Though you are so gentle and generous at heart, others may not readily understand you in the right perspective. You are generally reserved. So people take more time to know you well.

You act only according to the dictates of your own conscience. You hardly give in for the advice and persuasion of others. No doubt, you have patience and the power of endurance. You may not get back money once lent, hence you are careful. So you may soon earn the name 'miser'. During boyhood, you may experience or endure hardships and tortures. There may seem a great struggle behind your success. You never expect undue help from others. You are always prepared to work hard and earn what you deserve.

As you are born on 8th, you love a life of peace and religious faith. You are righteous, philanthropic and truthful, to the core. You are interested in the affairs of religious institutions and Vedantic thoughts, strangely though, you are fascinated by worldly pleasures.

The Effect of Fate Number and Compound Fate Number

In calculating your 'Fate number', the MONTH and YEAR of birth are also considered whereas 'Birth Number' is calculated from the Date of birth only.

The basic, single fate numbers 1 to 9 represent worldly aspects. This number denotes what you appear to be, in the eyes of your friends, colleagues and those you deal with closely. But the double or compound fate numbers represent the hidden influences that play behind the scene. Your destiny or future can be better understood by analysing such compound numbers. So they are said to denote the spiritual aspects. Your birth number gives information about the physical and material side of your life, while the fate number reveals more of occult or spiritual side of your life. The findings based on your 'Compound Fate Number' are as follows:

Your 'Fate Number' is 1 and your 'Compound Fate Number' is 37. This number has a distinct potency of its own. Possibilities of good and fortunate friendship with members of the opposite sex, are clearly seen. It is also good for partnerships in business and life in general. If this number appears in any of your future planning, it will prove to be fortunate.

Hence, you will become manly and famous. You are extravagant and luxurious by nature. You will have lots of opportunities for enjoying secret love affairs. But you will not bring discredit and dishonour to your family, at any rate. You are sure to achieve a high position in life. You can boldly overcome your obstacles, with determination.

The Effect of Name Number and Compound Name Number

The sages of ancient India, brought forth the theory for the first time, that letters of the alphabet are related to numerical figures. A theory popularised through the English language by Western Numerologists. Thus each letter

of your name spelled in English is assigned numerical value. All these numbers are added to get your NAME NUMBER. One can predict your personality characteristics on the basis of your 'Name Number' and its 'Compound Name Number'.

Since your 'Name Number' is 1 and 'Compound Name Number' 55, you will be mentally strong and learned. You can easily find very clever and effective solutions to problems, you face at the home or office. You are unusually intelligent. But unless you tone down your mind by meditation, you may get involved in temptations. That may result in dangers. It would be good, if you could remember that you are in the grip of certain specific numbers with both good and evil effects.

Married Life

It would be wise, if you could marry a girl whose 'Birth Number' is 1 or 4.

Health

You may be affected by stomach disorders in your boyhood. You ought to take special care of your abdomen and digestive system. Alternatively, you may have rheumatic complaints. You are advised to avoid eating meat as far as possible. Similarly, it will be good, if you can abstain from liquor. It is recommended that you resort to naturopathy and yogic exercise as early as possible. Include enough spinach, lemon, goose berry and honey in your diet. This would be highly beneficial to you. The months of January, February, July and December are comparatively unfavourable for you. You need not be surprised, if you notice changes in your health at the ages of 17, 26, 35, 44, 53 and 62.

Profession

A Government job seems to suit you most. You can also take up a job related to the field of transportation. However, if you plan to have your own business setup, you must be very careful.
